Why do we need Forward-looking activities?

- **Anticipating societal challenges**
- **Imagining potential futures**
- **Inspiring new policies**
- **Scanning weak signals**
- **Generating evidences**
- **Supporting priority setting**
- **Giving transparency to several alternatives**
- **Evaluating the potential impacts**

Scope of EU Forward-looking activities

- **Up-stream EU policy-making**
- **Medium to long-term planning and strategy**
- **Shaping a more sustainable future**
- **Developing a common European vision**

*Il n'y a plus que des petits pays en Europe,
mais certains ne le savent pas*

Paul-Henri Spaak

A positive scenario for Europe

- **Further EU integration and enlargement**
(approfondissement et élargissement – Jacques Delors)
- **Global security (human rights and rule of law)**
- **Strong European support for a socio-ecological transition**
- **Democratization of power and world governance**
- **A better articulation between EU and national-levels**
- **One EU foreign policy, one voice, one army, one taxation**
- **Systemic innovation (technological, social, organisational)**
